LIBDIB ORDER HANDLING

Per-order SOP + notification email to keep every order clear of the \$25/case non-ship fee.

WHEN AN ORDER COMES IN — DO THIS THE SAME DAY

1. **Pull the docs from LibDib.** In your Orders tab, open the order and download the LibShip label(s), the Buyer Invoice, and the Warehouse In-Tag.
2. **Forward to BBC (Ashley).** Send the label(s) + documents with the SKU, barrel #, quantity, and ship-to. Ship-from is BBC, Bardstown, KY under BBC's FedEx alcohol account.
3. **Notify LibDib.** Email makers@libdib.com using the template below. Send it the same day, before the 2-business-day window closes. This is what protects you from the fee.
4. **Log it.** Save the sent notification and record the order in your tracker (date, order #, SKU, qty, buyer).
5. **Track & follow up.** Once BBC tenders to FedEx, copy the tracking # from your Orders tab, confirm it's moving, and reply to LibDib with the tracking number.

NOTIFICATION EMAIL — COPY & PASTE, FILL THE [BRACKETS]

Subject: Order [#_____] forwarded to warehouse — 3rd-party fulfillment in progress

Hi LibDib team,

Confirming that LibDib order [#_____] ([product / SKU], [qty] case(s)) has been received and the shipping request forwarded to our third-party fulfillment warehouse (Bardstown Bourbon Company). Because this order is third-party fulfilled, it will take a little longer than two business days, but it is in progress and will ship via LibShip from our Bardstown, KY origin.

I'll follow up with the tracking number once it's tendered to FedEx. Please let me know if you need anything from me in the meantime.

Thanks,

David Wilson

KEEP IN MIND

- Send the notice on EVERY order, same day, before the window lapses — a late notice reads as a miss.
- Ship only what was ordered. One unique LibShip label per box.
- Set the buyer's timing expectations too — the notice waives the fee, not the buyer's patience.
- Keep every notification email on file as your record. This accommodation is a bridge; faster FL fulfillment is the long-term fix.
